NANJING AUDIT UNIVERSITY

JOE-Nanjing Audit University

Institute of Politics and Economics

Position Type: Rank open

Categories/Specialties: Any Field

Description:

Nanjing Audit University (NAU), founded in 1983, has more than sixteen thousand full time students. NAU is ranked 45th in China based on the average entrance score of the National College Entrance Exams. The NAU main campus in Pukou district of Nanjing is often regarded as “the Most Beautiful New Campus” in China. More information about NAU can be found at <http://www.nau.edu.cn/>.

The newly founded research Institute of Politics and Economics (IPE) of NAU seeks to hire multiple full-time faculties, starting in August 2017. Both ranks and fields are open. Candidates from all fields relevant to economics (e.g. Macroeconomics, Microeconomics, Econometrics, Public economics, Institutional economics, Applied economics etc.) will be considered. Applicants should be expect to have a Ph.D. completed by August 1, 2017.

IPE is a primary research Institute and aims to promote high quality of research in all fields relevant to political economics and institutional economics. Preference will be given to those with a demonstrated potential of high-quality publications in refereed international high quality English academic journals.

Salary and benefits are competitive. The initial appointment will be for three years with a starting annual salary of 450,000 RMB or higher, depending on qualifications. Other benefits include publication bonuses, a research fund up to 800,000 RMB, and a two-bedroom on-campus apartment. Upon successfully completion
